2020 Enrolment form

St. Francis Xavier's Primary School

End Street Urana NSW 2645

0269 208 051

Background

Dear Parents and Carers,

The Transition @ SFXU program has been designed to support children's transition to school in a fun, supportive environment. The program has been born out of a need in the wider Urana community to provide all children with access to a prior to school transition experience in the year prior to commencing primary school.

We plan to run the program on a Thursday, but due to restrictions in place because of COVID-19, we are unable to give you an exact date on which the Transition @ SFXU program will begin. Ordinarily, the program would have started at the beginning of Term 3. Please register your interest with us as soon as possible. That way we can contact you as soon as we are able to begin the program and get participation underway without any unnecessary delays.
