Wellbeing Policy

SFXU student management policies and procedures do not allow corporal punishment of students attending this school. Do not explicitly or implicitly sanction the administering of corporal punishment by non-school persons, including parents, to enforce discipline at the school.

Rationale

The purpose of a behaviour management policy is to establish agreed guidelines that aim to develop the most conducive atmosphere for teaching, learning and personal growth. As teachers and educators, we have been charged with the responsibility for making children aware of our community's attitudes and values which are reflected by acceptable standards of behaviour.

Therefore we hope to provide an atmosphere where children learn:

- Everything we think, say and do is based on faith in Jesus, and we help each other to be trustworthy members of our School team.
- We work together to be good Christians who recognise that everyone is special and has talents, and with our help will grow in confidence in developing these skills.
- Our School is a happy, pleasant place where everyone is treated fairly, with kindness and respect.
- In all School activities, we work in an environment of respect and trust for one another.
- Learn by word and example to care for each other and through a co-operative attitude.

Aims

Through our examples as teachers with positive reinforcement which is firm, just and consistent, we hope to foster in the children:

- A sense of justice and kindness towards each other
- A respect for personal and School property
- The use of commonly accepted courtesies and good manners

- A sense of responsibility for a just and safe environment at St Francis Xavier's, Urana both in the classroom and on the playground.
- A sense of pride in their appearance

Parents' Role

- To support the school and staff in implementing a discipline policy.

Children's Role

- To follow school and classroom rules.
- To develop a responsibility for their actions.

Counselling

St. Francis Xavier's School Urana provides counselling through CEDWW's arrangement with Centrecare South-West. We have a School Well-Being Practitioner who is available to work with individuals and groups for a variety of reasons.
